Dear Parents & Students:

As our winter session draws to a close, it is time again to look towards our summer and fall program schedule. Due to popular demand again this year, on top of our Summer Camps that will be running through July and August we are pleased to announce the return of **Summer Flex Music Lessons.**

Those students wishing to continue private lessons or try out a completely new instrument through July and August can again take advantage of a flexible schedule that can be tailored to work around summer vacations, summer camps and any other events that our students engage in during the summer months. Please talk to your teacher or call **604-596-4883** for more information about this great option for the summer!

Please indicate on the attached form whether you would like to participate in any of our summer camps, Flex lessons or whether you would just like to reserve your spot for Fall 2008!

Also, you can register online for any of our Summer Programs! **www.ejsfinearts.com**
